Vision Statement

We believe in developing the whole child -- the intellectual, social, emotional, and physical potential of all students -- by providing students with the skills, opportunities, and resources that will nurture innovative ideas, foster pride in diversity, inspire students to become lifelong learners and empower them to enrich their communities.

School Committee Goals

- Increase achievement and access for **ALL** students. Reduce all performance gaps by half.
- Develop and implement a comprehensive PreK-12 social-emotional learning framework that provides students with the skills they need for social and academic success.
- Increase engagement with the community to reflect the community in which we live.

School Committee Goals

- Continue to develop and implement innovative ways of measuring student academic performance and school quality such as formative assessment, performance-based tasks, and whole quality indicators.
- Develop a comprehensive plan for Universal Kindergarten Readiness that supports intellectual, physical, and social/emotional growth from birth to Pre-K.
- Develop and implement a strategy to recruit, develop, and retain a diverse and talented staff.

FY20 Budget Guidelines

- Provide equity and full access for **ALL** students
- Maintain and support **ALL** grade PreK-12 classrooms, providing academic support and enrichment
- Invest in programs, initiatives and positions to promote school readiness birth to Kindergarten
- Ensure college AND career readiness for **ALL** students
- Engage in a fully inclusive and transparent process with the school communities
- Ensure **ALL** legal and contractual mandates will be met
- Given changing State and Federal funding landscapes, budget efficiently and responsibly to absorb costs that if cut would disrupt core work in SPS
- Leverage an all-funds approach that includes increased grant dollars and new partners

Budget Development Process

- **Fall**– Confirm current staffing plan, review grant/revolving accounts and fixed accounts, meet with departments and school leaders
- **Winter**– Meet with Principals to review needs, capital and facilities; hold budget collaborative meetings centrally; review data, alignment with School Improvement plans
- **Spring** – Superintendent/Finance sub-committee review and prioritize budget; finalize staffing and requests; Joint Budget Meeting with City Council & City Finance Director
- **May/June** – SPS Public Budget Hearing, School Committee and City Council vote on budget plan

FY19 Highlights

- **Somerville High School Building Project enters Phase II** with foundation walls going up as the new building construction phase gets under way.
- Somerville has continued to take a leadership role in the ***By All Means*** initiative at Harvard's Education Redesign Lab and as a founding district of the **MCIEA** consortium working to influence policy in state assessment practices and whole school quality.
- Launched deep equity work at **School Committee and SPS Administrative Team** levels as the groundwork for continuing focus on this work across the district in the next 2-3 years.
- Through generous funding support from the Barr Foundation and in partnership with the Center for Collaborative Education (CCE), Somerville High School and Next Wave/Full Circle engaged in **bold planning work to redesign their educational models** to better meet the needs of students and educators through more flexible and experiential student-centered educational models.
- Through generous funding support from the Nellie Mae Education Foundation and in partnership with the City and community partners, launched and completed a **Somerville Learning 2030 Visioning** process to understand the community's priorities regarding youth learning experiences (in the classroom and in the community), to help inform continuing progress.
- Began **pilot recycling and composting program** in four schools.

Highlights - Grants

We continue to build and strengthen partnerships to support our work, leveraging grant funds to launch new projects that align with our District and community priorities. Grant-funded project highlights include:

- **\$300,000** Barr Foundation “Wider Learning Ecosystem” grant in partnership with CCE, to support redesign planning work at SHS in FY18-19, and an invitation to submit a full implementation proposal for **\$500,000** for FY20-22. That proposal has been submitted.
- **\$150,000** Barr Foundation “Engage New England” grant in partnership with CCE, to support redesign planning work at NW/FC in FY19, and an invitation to submit a 2nd year planning/pilot grant proposal for **\$200,000** for FY20. That proposal has been submitted.
- **\$100,000** Nellie Mae Education Foundation grant to support a city-wide visioning process around learning experiences for youth (Somerville Learning 2030) in FY19.
- **\$275,000** Nellie Mae Education Foundation Educator Leadership Development grant to support the development of a distributed leadership model across the District in FY18-19, and a commitment for an additional **\$260,000** in funding from NMEF to continue this work and pilot in FY20.
- **Nearly \$1.5 million** 3-year Commonwealth Preschool Partnership Initiative grant from the Dept. of Early Education and Care to expand access, and align and improve quality of our early education system through strategic partnerships between SPS and EEC-licensed early education programs in Somerville. \$283,000+ in FY19, with approx. \$600,000 expected in FY20 and FY21 pending project state funding availability.
- **\$110,000** Mental and Behavioral Health Services grant from the Department of Elementary and Secondary Education to develop a systemic Tier 3 student support model in FY20 that includes a comprehensive intervention plan for students and families of students in crisis.

Increased Academic Achievement

Somerville continued to maintain excellent overall growth* based upon results from the Next-Generation MCAS, with most of the district's grade-level average SGPs above the state average of 50. SPS outperformed urban districts as a group in ELA, Math, and Science. No SPS school was identified as needing assistance by the state for academics.

Growth: SGPs in many grades above state average of 50, such as grade 6 math (57.5), grade 8 ELA (55.9), and grade 10 ELA (61.9).

Math: Higher percentage of students *Meeting or Exceeding Expectations* in 4th grade (49%) and 6th grade (53%). 68% of 10th graders *Proficient or Advanced*.

ELA: Higher percentage of students *Meeting or Exceeding Expectations* in 5th grade (55%). 84% of 10th graders *Proficient or Advanced*.

Brown School designated as one of 52 Schools of Recognition for exceeding achievement targets.

SHS graduates: Acceptances into several first choice, top tier colleges including Harvard (2 students), Brown, Barnard, Oberlin, Northeastern (4 students, at least 3 in honors college), Brandeis, Tufts, Bates, Williams, Syracuse (2 students, one President's Scholarship and one Student Support Services Grant), School of Art Institute of Chicago, and New England Conservatory of Music

*SGP is now an average, instead of a median. It is normal to see values lower than the medians of the past years.

*Data suppressed due to small numbers.

Data from Department of Elementary and Secondary Education. EOY FY18 data.

Per Pupil Spending by Function

The per pupil expenditure formula includes funding from ALL sources including general school budget, grants and city expenditures in support of schools. The per pupil for FY18 was \$20,232, and in FY17 the amount was \$19,444. This information is based upon the EOY report submitted for FY18 and is the most current data available from DESE.

Operations and Maintenance includes maintenance of buildings.

Funding and Estimated Revenue

Revenue Source	FY2019	FY2020
Local appropriations budget	\$72,679,325	\$76,257,481
Private, State and Federal Grants	\$4,975,000	\$5,550,000
Special Education Circuit Breaker	\$2,072,724	\$2,751,426
Food Service Revenue	\$2,950,000	\$2,950,000
Other Revolving Account Revenue	\$2,700,000	\$2,550,000
Total School Committee funds	\$85,377,049	\$90,103,907

The local appropriation budget is comprised of city revenue and state Chapter 70 local aid for public schools. Chapter 70 local aid, totaling \$20,329,028 in FY2019, is used for the education of **ALL** Somerville students, including charter schools.

Note: We expect Federal Grant revenue in FY20 to remain level. State Grant revenue is projected to increase with the CPPI grant award. Private grant revenue increased in FY19 and this trend is expected to continue. All FY2019 and FY2020 revenue for Grants, Food Service and revolving accounts is projected. Reduction in Revolving Account revenue reflects Kennedy Pool moving to Parks and Recreation Dept.
