
Somerville High School Robotics Team 6201

May 2025

Who are we?

- We are the Somerville High School *FIRST* Robotics team
- We compete in *FIRST* Robotics Competitions (FRC)
- We design, prototype, program, and build a robot in a period of 10 weeks each school year
- This year's robot is "Plunk"

STEM Outreach

- The team spends thousands of hours each year (approximately 80 per student in SY24-25) on STEM community outreach
- Somerville Robotics League is the flagship middle grades after school program
- Other programs and events include FIRST LEGO League, Girls Who Code, Family Creative Computing and Robotics Night
- Community events such as Fluff Fest, Somerstreets, Cambridge Science Festival, Fenway STEM Showcase, and more
