Community Schools Staffing Update

- We expect more hiring from September through October; those who did not obtain full time teaching positions, newly hired paraprofessionals, and students who have moved into the Boston area looking for work
- New assistant OST assistant site directors hired at Brown and Healey and vacant position was filled at Capuano.
- Five vacant Lead and Assistant Lead positions have been filled
- Researching different providers to supplement programming at the high waitlist schools such as Argenziano
- Hiring high school students who worked in the Mayor's Jobs Program as additional support staff
