Vision Statement

We believe in developing the whole child -- the intellectual, social, emotional, and physical potential of all students -- by providing students with the skills, opportunities, and resources that will nurture innovative ideas, foster pride in diversity, inspire students to become lifelong learners and empower them to enrich their communities.

School Committee Goals

- **Human Capital:** Because research shows that all children benefit from a highly skilled and diverse educator workforce that reflects SPS students and families, we will, by 2022, increase the percentage of support staff of color by 6 percentage points, teachers and counselors of color by 5 percentage points, and administrators of color by 4 percentage points through evaluating and strengthening all elements of our human capital system – recruitment, processes, training, retention, development, and advancement. We will engage staff and community as authentic partners in this work.
- **Enrollment and Access to Programming:** Because we believe that no student should be disproportionately impacted by district enrollment policies and that all students should have access to support they need, by 2022, we will (1) conduct a district enrollment study to understand the prospective future population of the district, and (2) craft a vision for school assignment and programming aligned with the district’s equity policy. We will engage students and families in this process to design a school assignment policy grounded in equity and in the values of our community.

School Committee Goals

- **Resources:** Because we know that every student has unique needs and interests and should have access to rich learning opportunities that help them thrive, we will design, evaluate, and partially or fully implement student-based budgeting by 2022. We will do this through a transparent process that welcomes and embraces the engagement of all stakeholders at all levels to develop a system where students are funded equitably, regardless of which SPS school or program they attend.
- **Milestones of Learning:** While we believe that every child can thrive, we recognize a gap in achievement and opportunity in our current system. We will, by 2022, design a robust system of aligned developmental academic and social-emotional benchmarks working with district administration, school communities, students and educators. These benchmarks will be used to inform practices, policies, and resource allocation to ensure that every student has access to rigorous and responsive core instruction that integrates the whole-child approach.

Budget Guidelines

- Provide equity and full access for **ALL** students
- Maintain and support **ALL** grade PreK-12 classrooms, providing academic support and enrichment
- Invest in programs, initiatives and positions to promote school readiness birth to Kindergarten
- Ensure college AND career readiness for **ALL** students
- Engage in a fully inclusive and transparent process with the school communities
- Ensure **ALL** legal and contractual mandates will be met
- Given changing State and Federal funding landscapes, budget efficiently and responsibly to absorb costs that if cut would disrupt core work in SPS
- Leverage an all-funds approach that includes increased grant dollars and new partners

Budget Development Process

- **Fall**– Confirm current staffing plan, review grant/revolving accounts and fixed accounts, meet with departments and school leaders
- **Winter**– Meet with Principals to review needs, capital and facilities; hold budget collaborative meetings centrally; review data, alignment with School Improvement plans
- **Spring** – Superintendent/Finance sub-committee review and prioritize budget; finalize staffing and requests;
- **May/June** – SPS Public Budget Hearing, School Committee and City Council vote on budget plan
- ❖ **Our Budget Development process timeline was altered by the Covid-19 crisis. We held virtual follow up budget discussions with Principals and Department Heads.**

FY21 Highlights

- **Somerville High School Building Project** – Nearing full completion. The learning spaces reopened in March 2021. We are in the 3rd and final phase of the work, which includes site improvements both in front of and behind the existing 1895/1915 buildings as well as construction of a turf field. Work on the Auditorium is also continuing. Visit www.somervillema.gov/highschool for links to a 3-D self-guided tour and other guided video tours.
- District **equity work** has continued to deepen. School-based Equity Specialists and Advancing Equity Task Force helping advance this work at the district and school levels. DESE Diversity Network support educator diversification efforts. Educator diversification goals aligned with the district’s priority on equity. SFLC family and community liaison positions expanded to full-time.
- The Pandemic provided **opportunities to gain new skills and find new ways to connect with and support students, families and staff**. Strengthened and expanded partnerships to ensure that we were meeting students’ and families’ most urgent needs while maintaining a focus on learning. We are proud to be working with the Rennie Center on “A Year in the Life” highlighting the bright spots and challenges of our school district during this unprecedented year.

FY21 Highlights - Grants

We continue to build and strengthen partnerships to support our work, leveraging grant funds to launch new projects that align with our District and community priorities. Grant-funded project highlights for FY21 include:

- **\$500,000** Barr Foundation “Wider Learning Ecosystem” 3-year grant to support Somerville High School’s redesign plan FY20-22
- **\$550,000** Barr Foundation “Engage New England” 2-year grant to support Next Wave/Full Circle’s redesign work through FY22
- **\$250,000** Boston Foundation grant award for further development of Student Insights; addition of an Equity Dashboard
- **\$100,000** Cummings Foundation grant. We are in Year 3 of this 4-year grant, partnering with Waypoint Adventures to provide adventure programming and leadership skills building to targeted student populations
- **\$20,000** Nellie Mae Education Foundation “Educators for Black Lives Grant” to support equity efforts in our district this year
- **\$260,000** Nellie Mae Education Foundation “Educator Leadership Development” grant to support the development of a distributed leadership model across the District. We are in the final year of this two-year grant.
- **\$50,000** Teacher Diversification grant from the Department of Elementary and Secondary Education, to support educator diversification work, including development of a paraprofessional to teacher pipeline, a student to teacher pipeline, and recruitment and retention efforts
- **\$45,000** Early College Implementation grant from the Department of Elementary and Secondary Education, to support our early college partnership with Cambridge College, which is targeted toward English language learners and students with special needs
- **Completed Y3 of nearly \$1.5 million** 3-year Commonwealth Preschool Partnership Initiative grant from the Dept. of Early Education and Care to expand access, and align and improve quality of our early education system through strategic partnerships between SPS and EEC-licensed early education programs - renewed for Y4 at \$625,000
- **\$613,000 Commonwealth Children’s Fund** joint award to SPS and SomerPromise in FY21 to support Somerville’s Birth-5 Partnership and systems-building work.

Continued Academic Progress

Due to the pandemic, students were not required to take the MCAS standardized assessment in the spring of 2020; no data are available.

SHS graduates: Acceptances into several first choice schools for students, including several top tier colleges: MIT, Tufts,, Boston College, Harvard, Northeastern, Boston University, Yale, Pepperdine, Skidmore, Berklee, Boston Conservatory, and more. Several students proudly continuing their studies at public colleges in Massachusetts at UMass Amherst, UMass Lowell, UMass Dartmouth, and UMass Boston and Bunker Hill while others will stay close in New England at UConn, UVM, UNH, and UMaine. Two Posse scholarships to Bucknell and Bryn Mawr.

Nineteen students were accepted to Tufts University, which is the highest number of acceptances in recent years.

AP Access: Fewer students took AP exams during the 2019-2020 school year due to the interruption caused by COVID-19 and school closures. However, of those who tested, students took a similar number of exams as compared to 2019 (1.9 exams per student). The exception is for Black students, who took fewer AP exams per student compared to 2019 (from 2.1 in 2019 to 1.6 exams in 2020). The percentage of Black students earning a passing score remained the same from 2019 to 2020 at 46%. The pass rate increased for Latinx students from 48% to 52%.

Somerville graduation rates have improved over the past 11 years.

Per Pupil Spending by Function

The per pupil expenditure formula includes funding from ALL sources including general school budget, grants and city expenditures in support of schools. The per pupil for FY20 was \$20,913 and in FY19 the amount was \$20,337. This information is based upon the EOY report submitted for FY20 and is the most current data available from DESE.

Operations and Maintenance includes maintenance of buildings.

Funding and Estimated Revenue

Revenue Source	FY2021	FY2022
Local appropriations budget	\$77,929,431	\$81,798,831
Private, State and Federal Grants	\$5,550,000	\$8,050,000
Special Education Circuit Breaker	\$2,700,564	\$2,449,944
Food Service Revenue	\$2,850,000	\$2,550,000
Other Revolving Account Revenue	\$2,450,000	\$2,250,000
Total School Committee funds	\$91,479,995	\$97,098,775

The local appropriation budget is comprised of city revenue and state Chapter 70 local aid for public schools. Chapter 70 local aid is used for the education of **ALL** Somerville students, including charter schools.

Note: The District will continue to receive ESSER funding as part of our Federal Grants in FY22. This funding will be utilized to cover Covid-19 related expenditures. Private grant revenue increased in FY20 and this trend is expected to continue. All FY2021 and FY2022 revenue for Grants, Food Service and revolving accounts is projected. Reduction in Revolving Account revenue reflects uncertainty of operations for SY21-22.

Human Resources – Human Capital Strategy

Recruitment & Hiring:

- This is our second year as members of the DESE Diversity Network and grant-funded Teacher Diversification project to continue our work in diversifying our staff.
 - Part of that work involves developing a para-to-teacher pipeline through targeted support including MTEL assistance and tuition reimbursement.
 - This year we have provided 19 vouchers to paraprofessionals to attend a workshop to assist them to pass the MTEs.
 - Continuing to work on improving our recruitment and interview processes to ensure that our commitment to equity and diversification is reflected in all aspects of our Human Capital Strategy.
- We will be implementing a new Human Resources Information System to help us streamline our HR processes.

Recruitment & Retention:

- Our Director for Equity and Excellence, Dr. Jessica Boston-Davis, with assistance from HR, hosted the district's first Virtual Diversity Recruitment Fair on April 10, 2021. This is another step forward towards our efforts to diversify our staff.
- During the pandemic, we also hosted two virtual Career Fairs that proved to be highly successful, and which will become a standard part of our Human Capital Recruitment Strategy.
- Under Dr. Boston-Davis' leadership and guidance, staff affinity groups provide a safe space for colleagues to connect and support each other, an important piece of our retention efforts.

Educator Development - Human Capital Strategy

Development & Advancement:

- Pipeline development and staff diversification - SHS students, student teachers, paraprofessionals, and educator leaders
- Educator Leadership Model development through Nellie Mae Education Foundation Grant
- Induction and mentoring expansion
- Educator evaluation to focus on continuous improvement and growth of all educators
- Professional development structure for 2021-2022 continues with a sustained focus on equity
- PD Partners: Beautiful Stuff, Boston University, Fab Foundation, HGSE, Lemelson-MIT, Lesley University, Massachusetts Transgender Political Coalition, National Geographic
