## Student Tests, Staff Tests and Baseline Tests

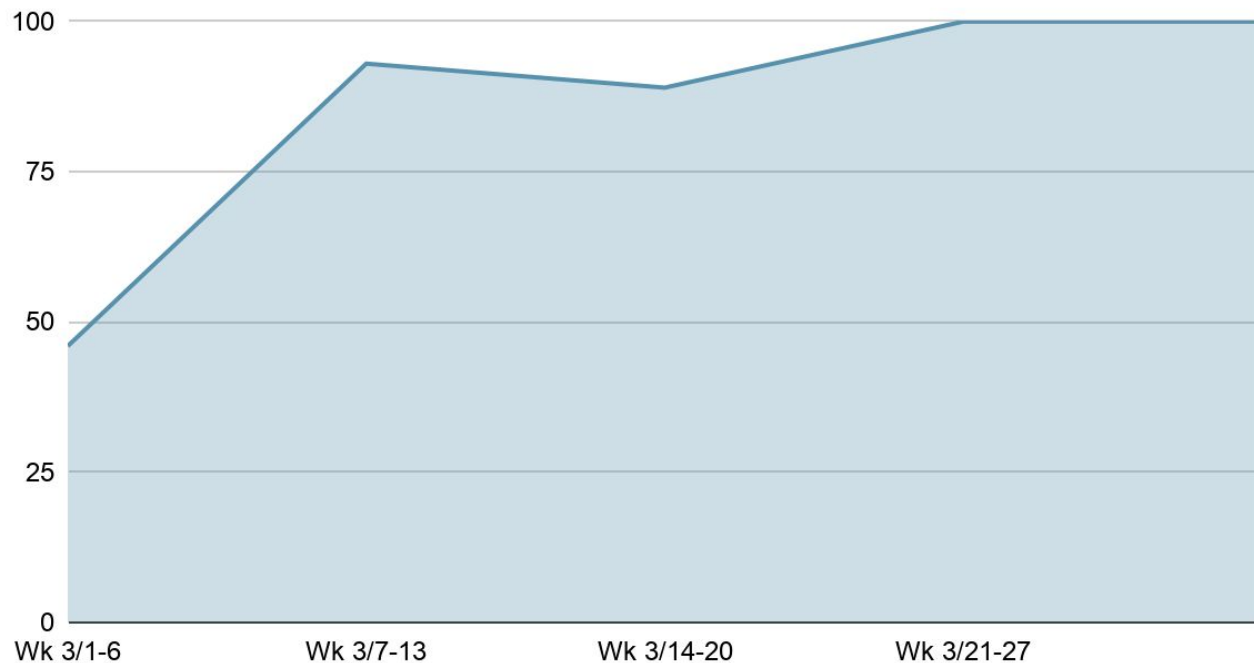

9,147

Total Tests  
Performed  
3/1-4/2

\*\*Staff and some students may test more than once a week, so tests will always outnumber testers

## Percent of Test Results Returned Under 24 Hours

**12 hours  
54 min**

**Avg time  
from sample  
to test result**

*(3-week  
average)*

# 17

Positive cases caught  
before in-school  
interaction

---

# 19

Total positive student cases  
March 1 - April 2

100% positive cases handled through home or outpatient treatment

818

Staff tested  
since March 1

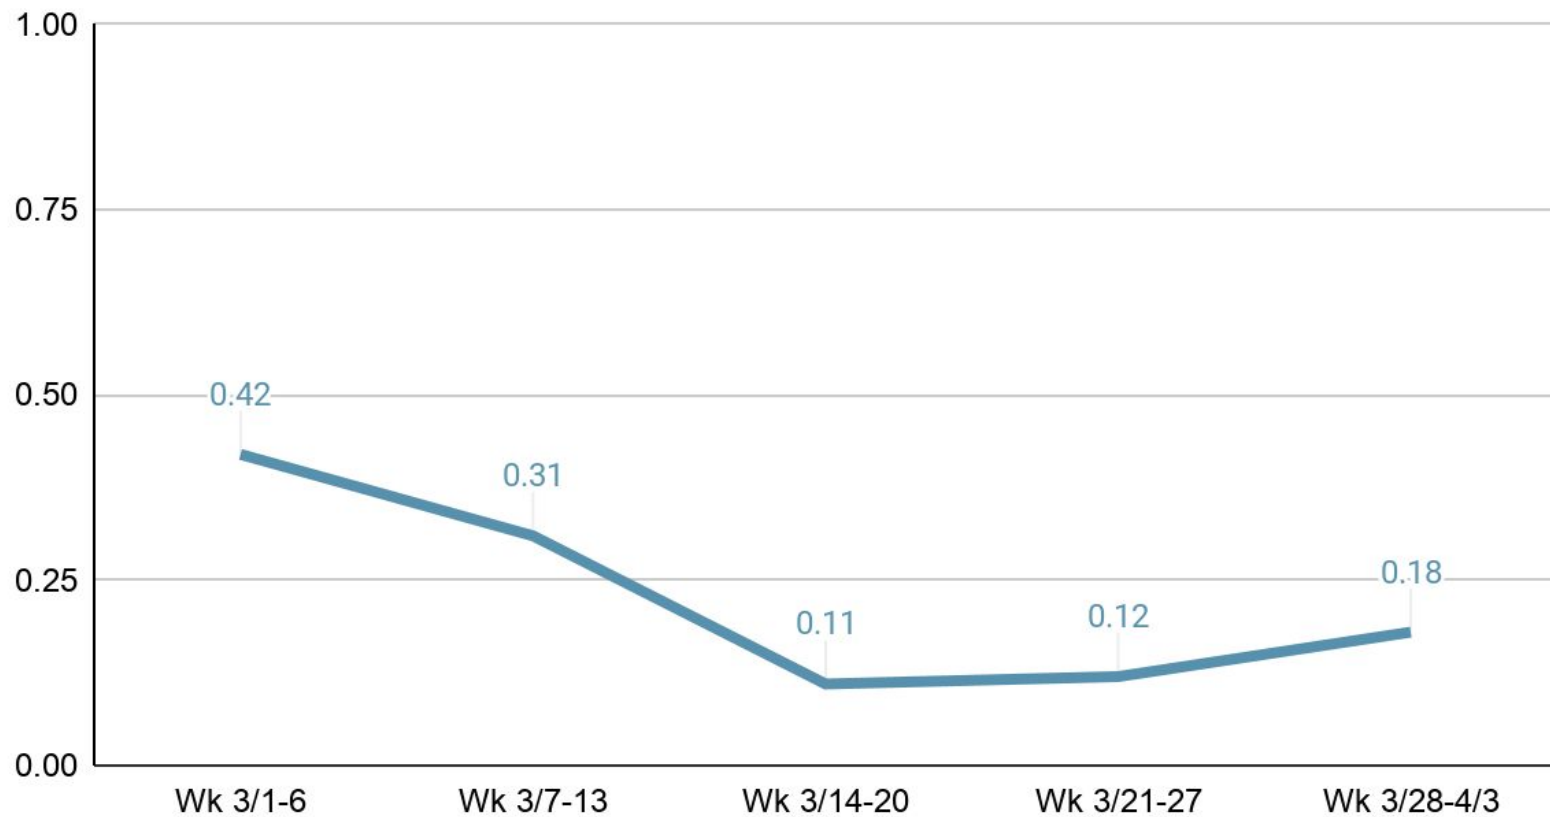

4002

Staff tests  
since March 1

0

Staff tested  
positive since  
March 1

## Positivity Rate - Less than 0.5%
