A story of collaboration and continuity...

SomerBaby

A child received a SomerBaby home visit and mom learned about SFLC playgroups and parent support groups

Playgroups & Parent Support Groups

Playgroup Coordinators connected the family to ParentChild+

ParentChild+

ParentChild+ home visitor identified a concern and referred the child to Early Intervention. When the child turned 3, they connected the family with a childcare center through the city's childcare affordability fund

MTSS

Through the SPS Dept of Early Ed's MTSS system, the center connected the child with specialist support

Kindergarten in Somerville Public Schools

The child started Kindergarten. MTSS supports continue. She is doing well!

*“You are all a blessing to the City of Somerville.
Things have changed for the better because of the
work of all of you. My child is on a great path.
We cannot thank you enough for the support.”*

**On behalf of the little ones
and their families, thank you!**
