Notes

Everyone started over and introduced themselves and shared with the group.

Split into groups to go over the norms and share our input on it.

Revised some of the norms and added some new norms.

Agreed to act as though children were in the room, so there would be no talking over each other, and to show each other respect whether we agree or disagree with what is being said.

Decided we can strive to reach a consensus and to still do the initial vote.

Agree to share responsibility equally.

Know what we will be talking about in the next meeting and having the agenda items early.

Ask for help when help is needed

State wants consensus

Agreed this team is the large group team

Savanna will write up a proposal for Cultural Integrity for the school.
