

# Family Survey Results

---

REMOTE LEARNING & SCHOOL REOPENING

*JUNE, 2020*

This is a summary of the family survey results from the week of June 6, 2020.

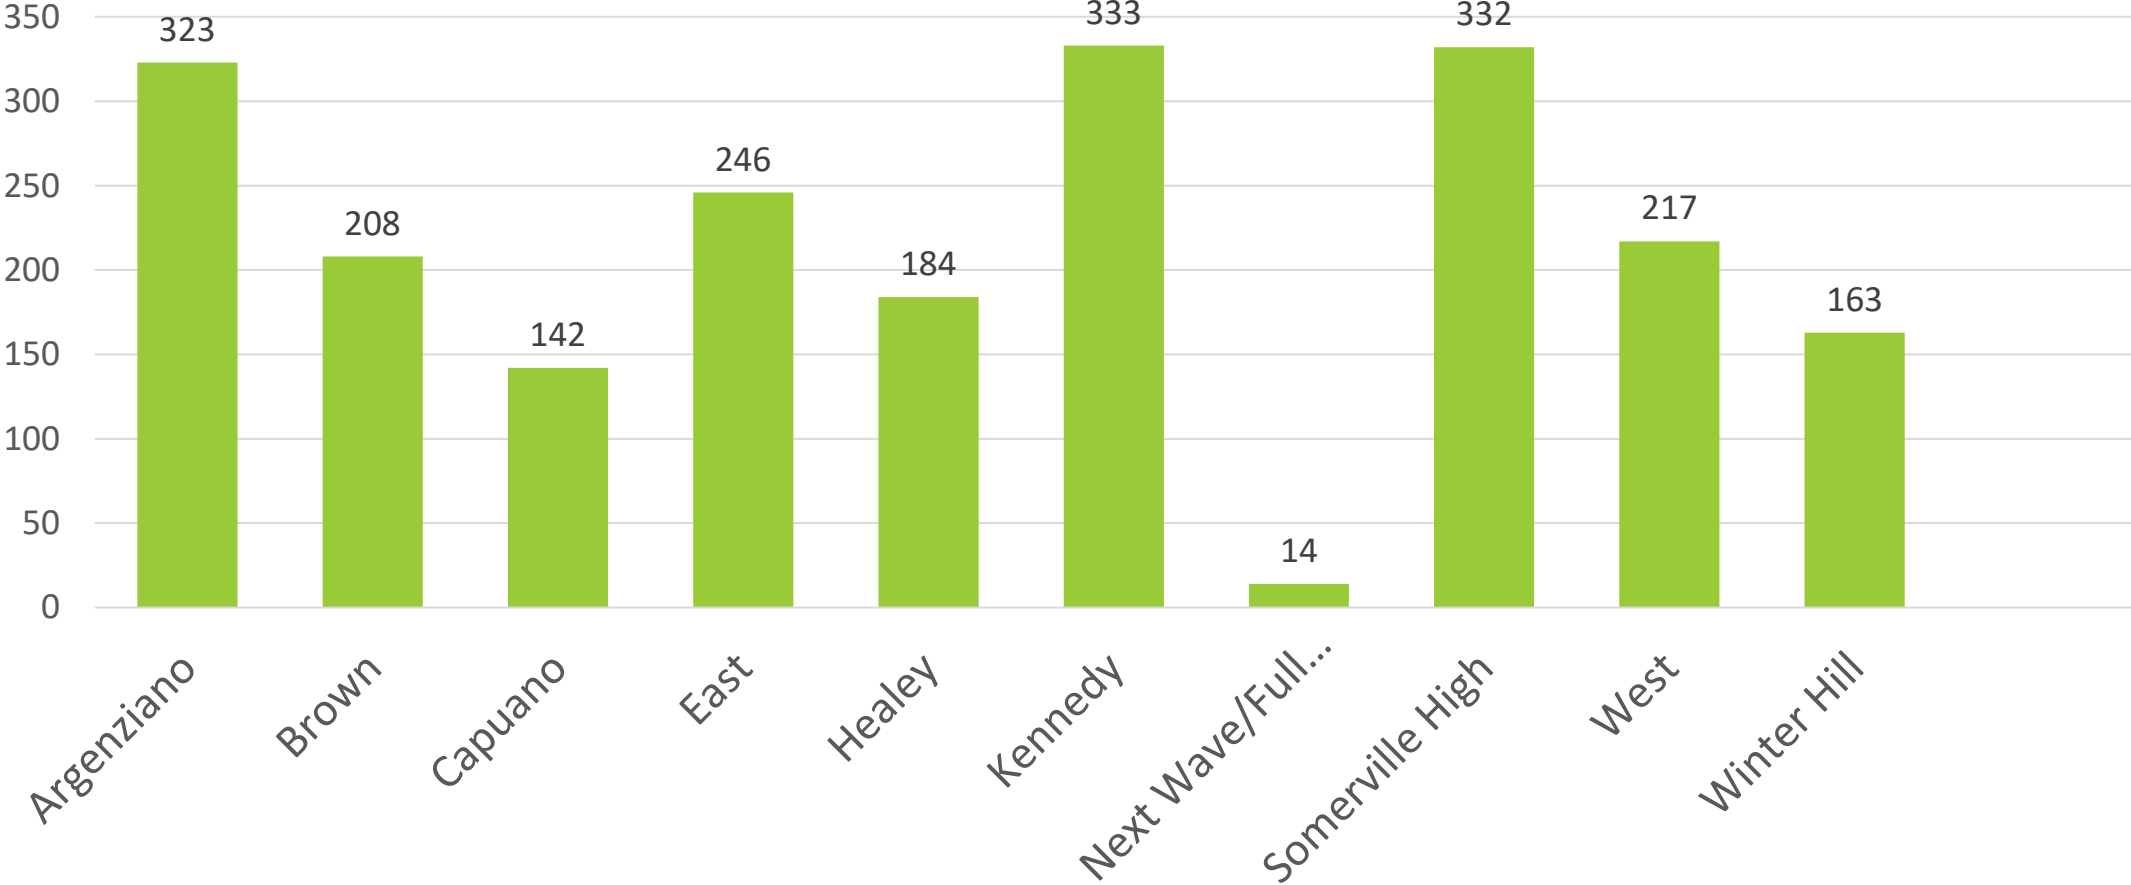

## Methodology

---

Surveys were distributed to families through a survey link sent by email, links included in a daily district update, principal communication. Surveys were created in the 4 target languages of English, Spanish, Portuguese, and Haitian Creole.

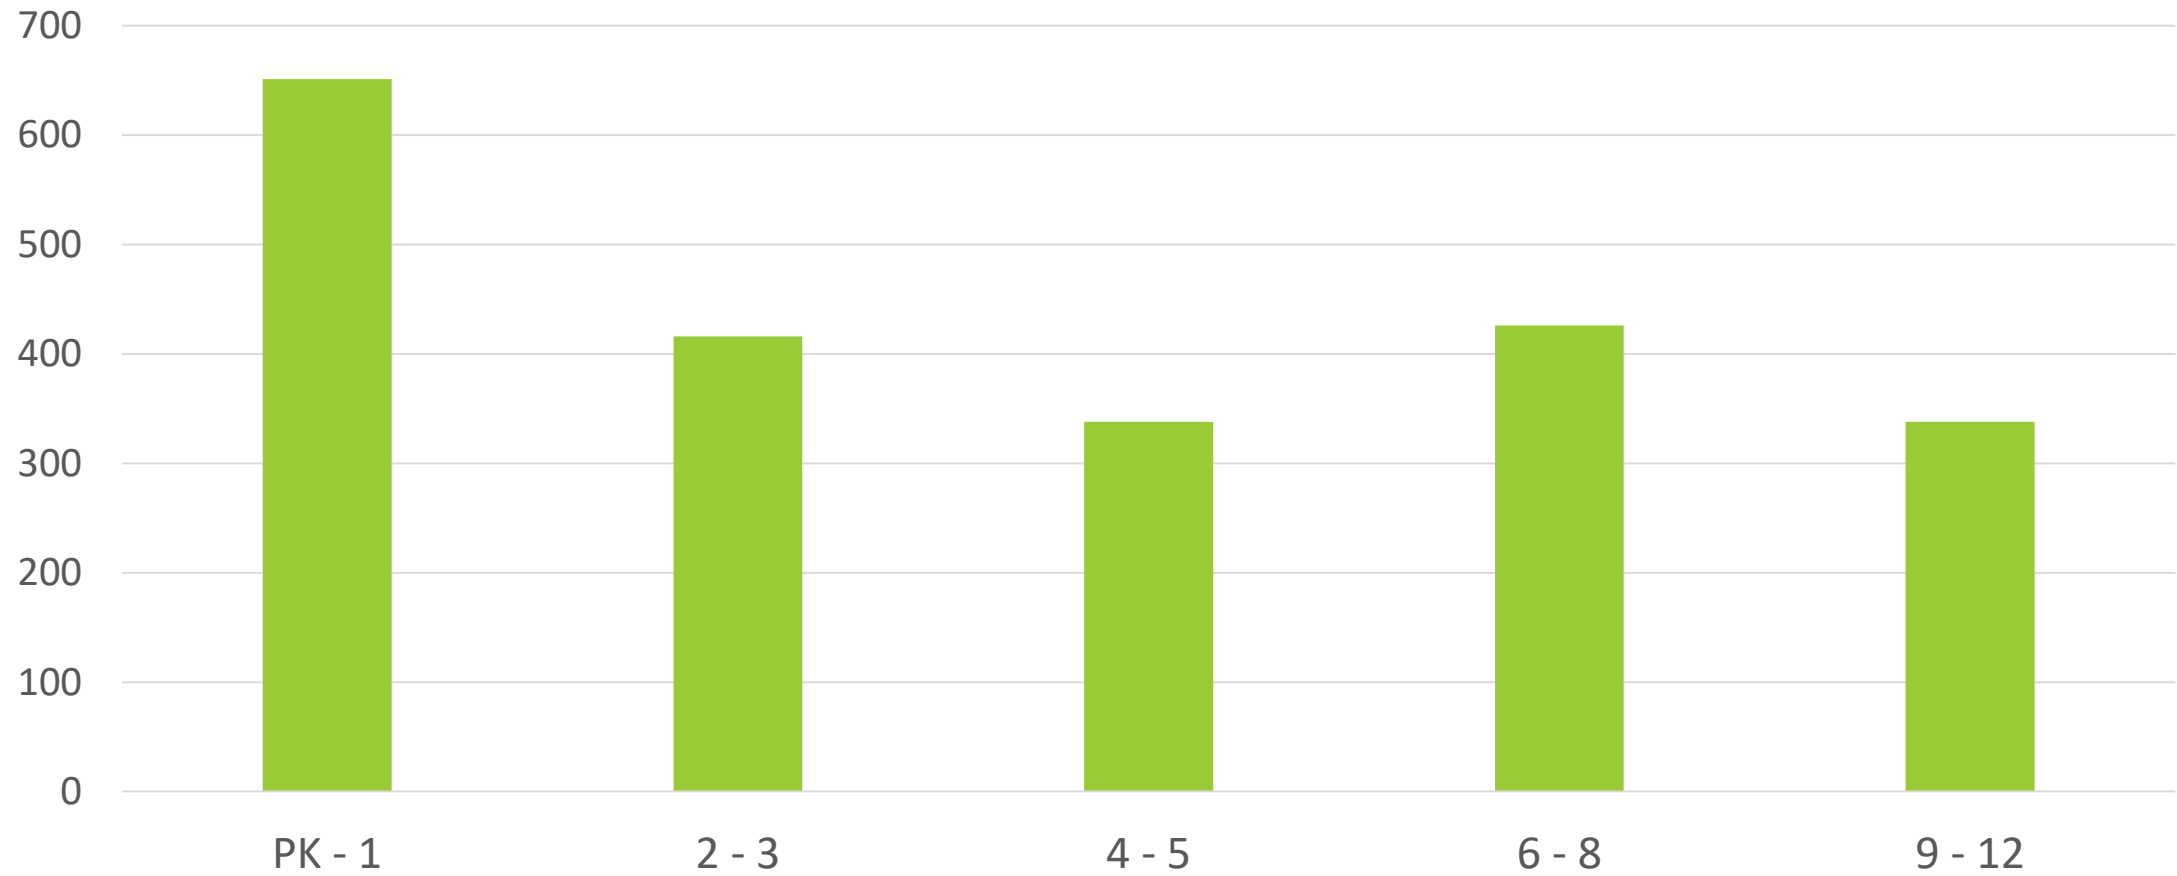

Many questions allowed for singular or multiple selections such as select one or select all that apply as well as 'other.' Where possible, responses were grouped by selection and anything not matching a selection was categorized as 'Other.'

# My Child Attends This School

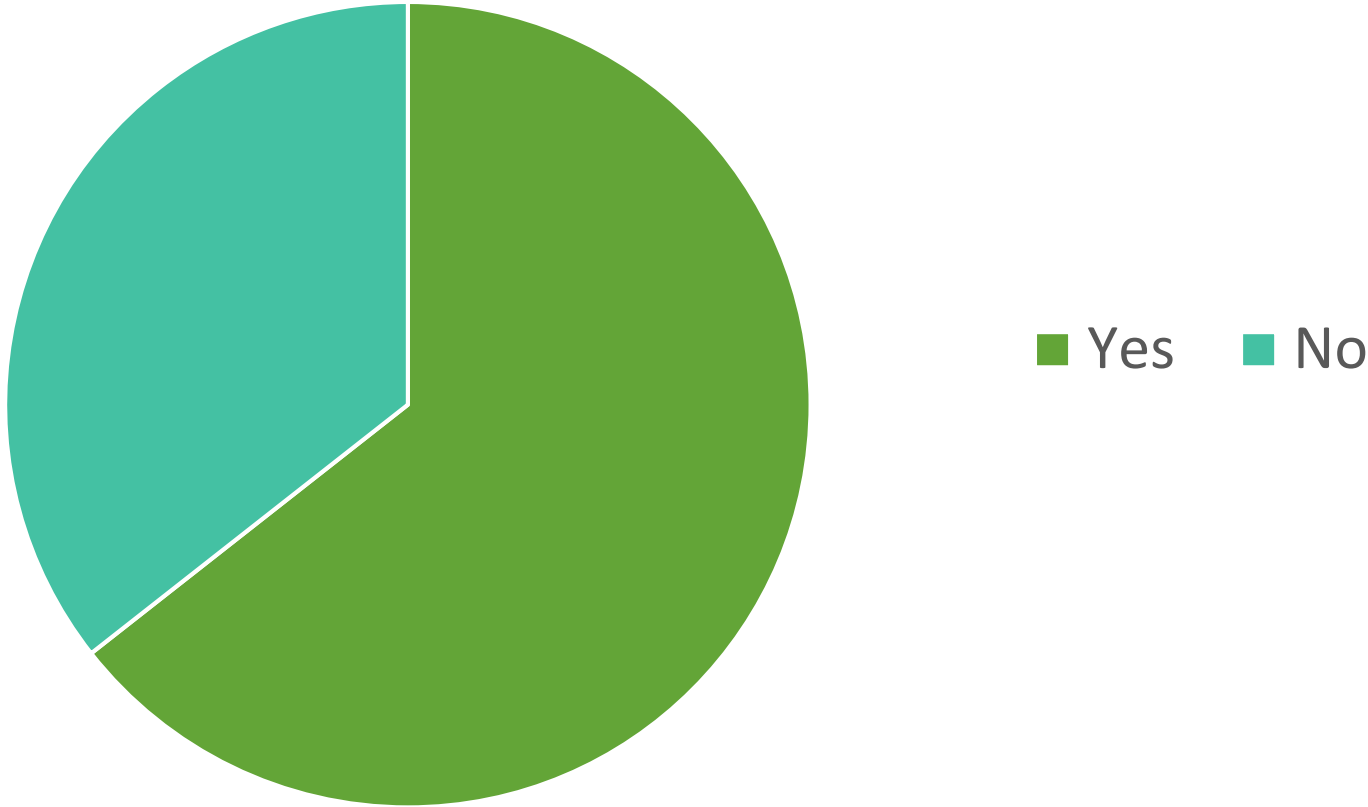

The total represents between 45% and 55% of the families within Somerville.

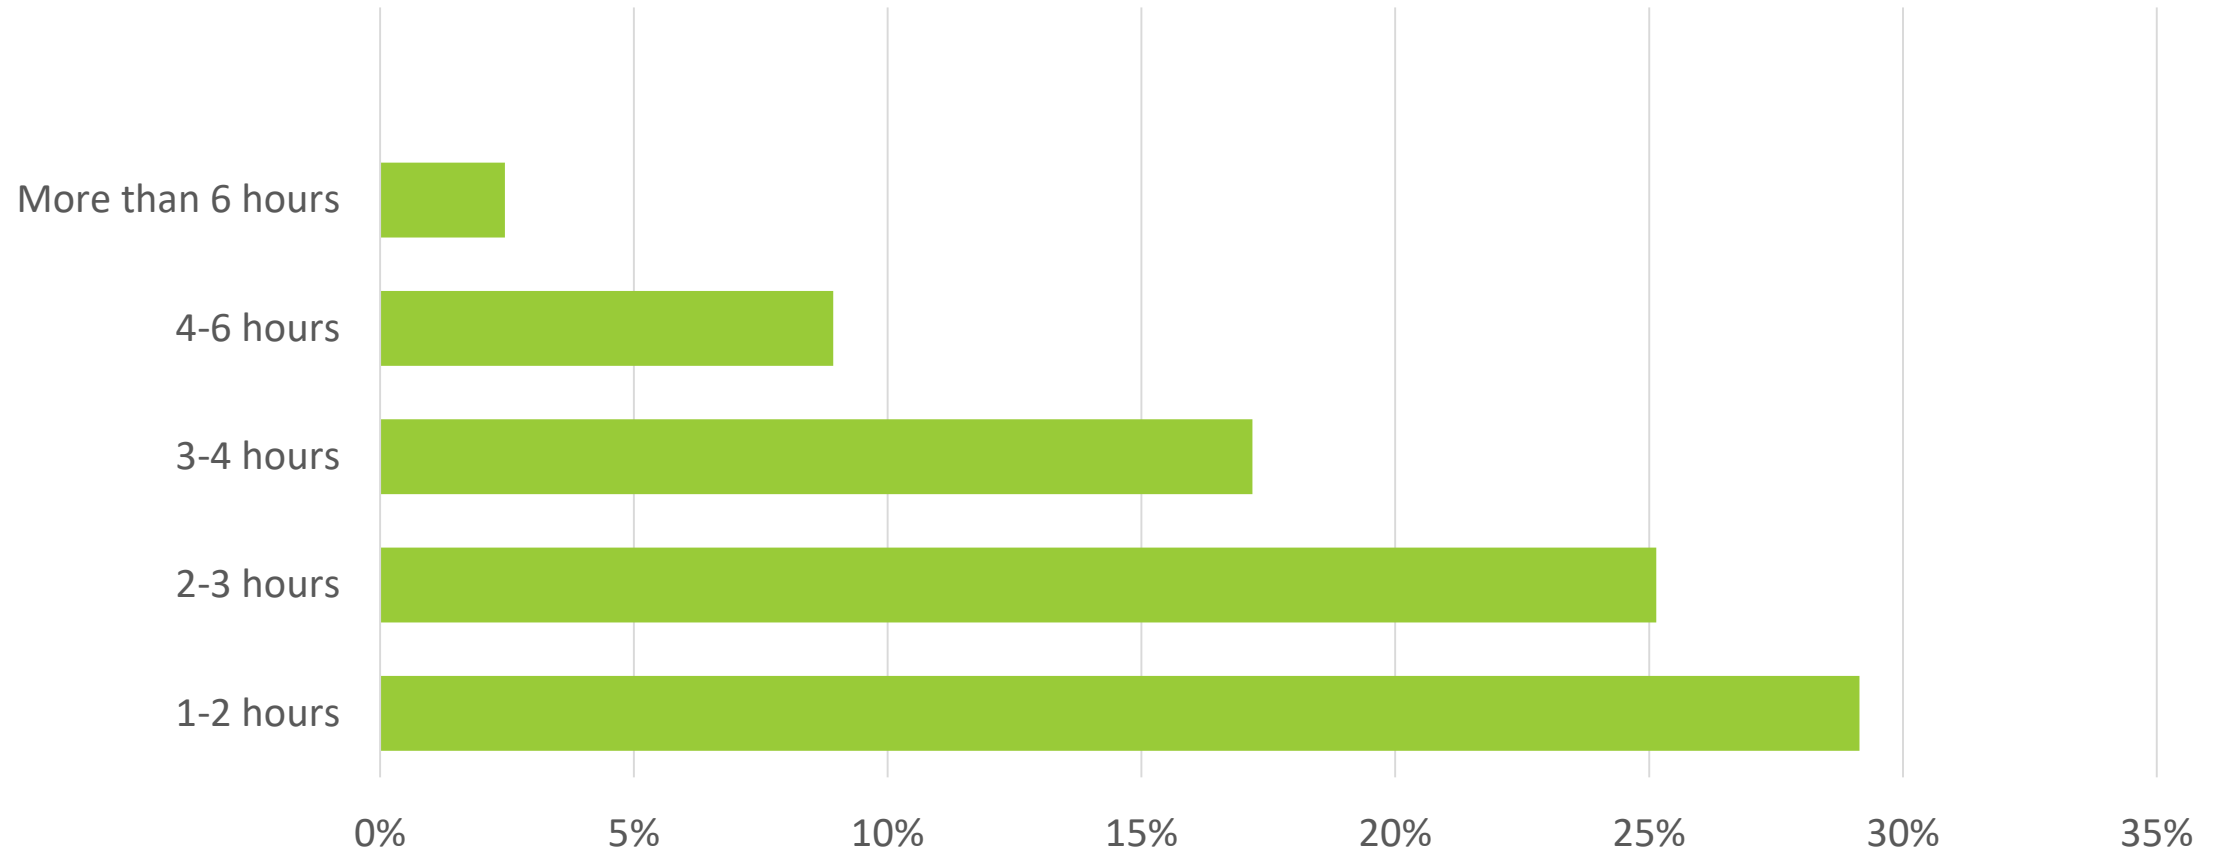

# My Child is in This Grade Band

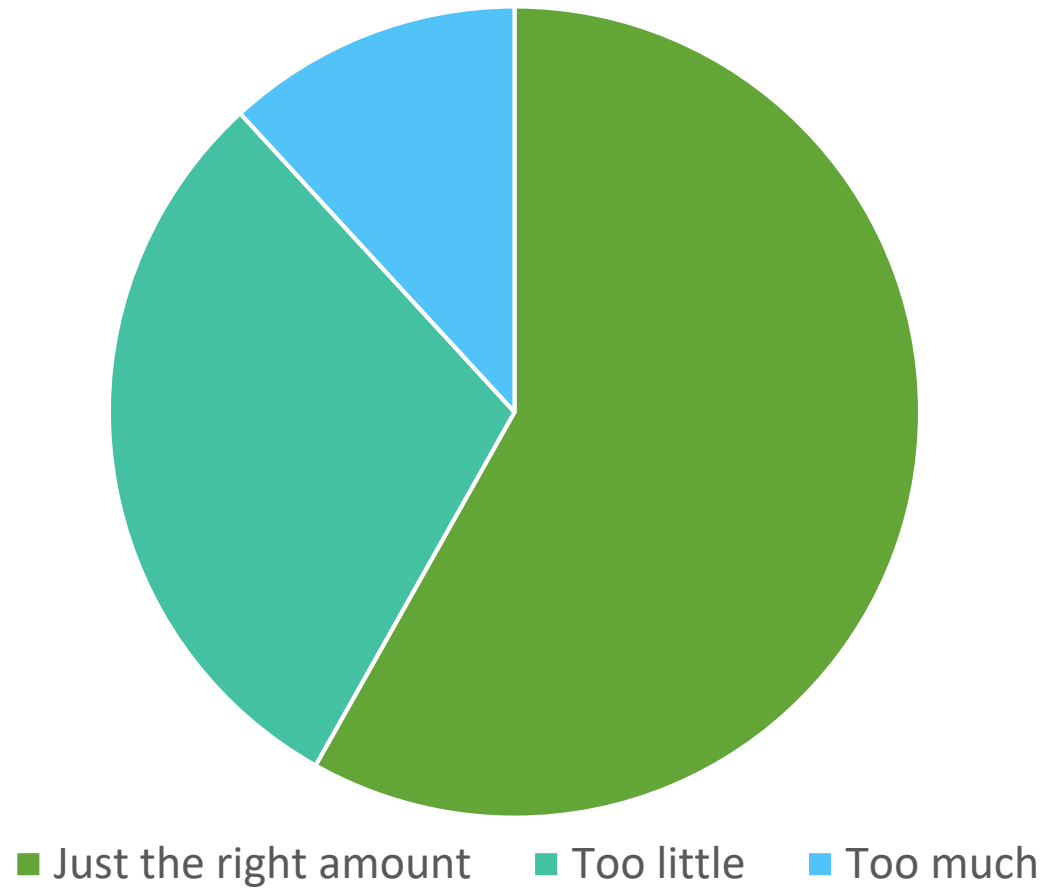

# Percent Who Prefer Transition Day w/Last Year's Teacher
