- Topics for consideration for SPS Policy
 - *Should SC/SPS ask SPD/City to support a School Resource Officer(SRO) and if so what should the role and criteria be?*
 - *Should SC/SPS ask SPD/City to support Community Police Officers and if so what should the role and criteria be?*
 - *Should SC/SPS ask SPD to partner with them to create relationship-building/enrichment opportunities such as the STEPS program and the Police Academy?*
 - *Should SPS have an MOU with SPD around above initiatives and information sharing and if so what would it be?*
 - *Currently, SPS partners with SPD and SFD for lock down and emergency response planning and drills. Are there any changes we should make to the current process?*
 - *Are there recommendations around training/PD, data collection, budget, and communication relative to policing in SPS that the Committee wants to make?*
 - *Are there any other topics relative to Policing in SPS that the Committee wants to explore?*
