

Dear Families,

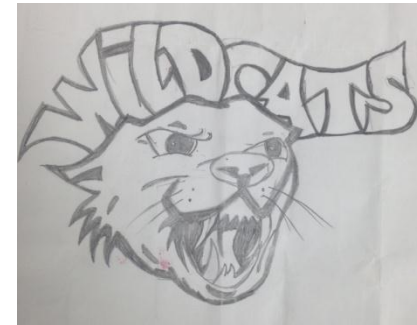

Many exciting things have been happening here at the Winter Hill Community Innovation School, and we wanted to send you a quick update! The students and staff have been working hard to get ready to launch our Dress Code in September 2014!

A few weeks ago, at lunch, your child voted for our Dress Code shirt colors. And the winners are

Light Blue	Purple	Navy Blue
------------	--------	-----------

The middle school students also voted on a Middle School Only color, and their choice was BLACK!

We also invited all students in the school to submit a drawing for our Logo Contest! We had lots of entries, and earlier this month, students voted again for their favorite logo! Check out the winner!

We would again like to thank you for your continued support! Please mark your calendars to Save the Date, January 16th for our all school Fashion Show!! More details to follow!
